<input type="checkbox"/> DUMMERSTON CTR	SUB-STATION EAST-WEST RD	254-8495	

8. Conduct repairs according to Mitigation Plan when feasible and document all repairs (ie. repair with larger culvert, replace with better materials, etc)	
Known Problem	Mitigation Solution

--	--

9. If incident expands over multiple operational periods, assign relief workers for ALL positions. As incident winds down, release excess resources as per demobilization plans.

10. As incident enters Recovery Phase, conduct a complete damage assessment for public and private damages. Meet with State and Federal Officials to map out next steps.

ICS Responsibilities Review	
Command Section	
Incident Commander	Overall responsibility for and management of the incident
Public Information Officer	Central contact for gathering from and dissemination to the news media and other agencies and organizations
Safety Officer	Assess hazardous and unsafe situations and develop measures for assuring personnel safety
Liaison Officer	Point of contact at the incident for personnel from assisting or cooperating agencies. These agencies have pre-existing chains of command, and protocols. They work for the Incident Commander and are given assignment and tasks, through the Liaison Officer. These would include: Vermont Emergency Management, FEMA, American Red Cross, VT National Guard Units, VT HAZMAT Team, County Sheriff, Search and Rescue, Civil Air Patrol and the like.
Operations Section	
Operations Section Chief	Responsible for the direction and coordination of all incident tactical operations,
Divisions / Groups	
Law Enforcement	Traffic; law & order, alert and warning
Fire & Rescue	Fire & Rescue & Evacuation; alert and warning
Ambulance	Emergency Medical and Emergency Transportation
Public Works	Roads, Bridges, Sewer, Water
HAZMAT Team	Hazardous Materials, Radiological Hazards
Search and Rescue	Search and Rescue
Staging Areas	locations at an incident where resources are placed while awaiting tactical assignment
Planning Section	
Planning Section Chief	Responsible for the collection and evaluation of incident situation information, preparing situation status reports, displaying situation information, maintaining status of resources, developing an Incident Action Plan, and preparing required incident related documentation.
Units	
Resources Unit	Responsible for all check-in activity and for maintaining the status of all personnel and equipment resources assigned to the incident.
Situations Unit	Collects and processes information of the current situation, prepares situation displays and situation summaries, develops maps and projections.
Documentation Unit	Prepares the Incident Action Plan , maintains documentation, and provides duplication services.
Demobilizing Unit	Assists in ensuring that an orderly, safe, and cost-effective movement of personnel will be made when they are no longer required at the incident.
Logistics Section	
Logistics Section Chief	Responsible for providing services and support to meet incident needs.
Units	
Communications Unit	Develop Communications Plan, distribute and maintain communications equipment, and manage the Incident Communications Center
Medical Unit	Develop a Medical Plan, provide 1 st aid and light medical treatment for personnel assigned to the incident, develop emergency medical transportation plan and reports
Food Unit	Supplies feeding and potable water requirements at all incident facilities.
Supply Unit	Orders personnel, equipment, and other supplies as needed
Facilities Unit	Sets up and manages facilities in support of the incident. Also provides security support for the facilities and incident as required.
Ground Support Unit	Provides transportation, maintains and fuels vehicles assigned to the incident
Finance / Administration Section	
Finance/Admin. Section Chief	Responsible for monitoring incident-related costs, and administering any necessary procurement contracts
Units	
Time Unit	Ensures that all personnel time on an incident or event is recorded
Procurement Unit	Processes paperwork associated with equipment rental and supply contracts. Responsible for equipment time reporting.
Compensation/Claims Unit	<u>Compensation:</u> Is responsible for workers compensation claims and maintains files of injuries and/or illnesses associated with the incident <u>Claims:</u> Handles investigation of all claims involving damaged property associated with or involved in the incident.
Cost Unit	Responsible for providing all cost estimates and cost saving recommendations

P= Primary Agency, S= Support Agency

Functional Area/ State Support Function Review	
(For use in completing table associated with Planning Task #1)	
1. Transportation - Control of transportation assets in support of the movement of emergency resources, including the evacuation of people and distribution of food and supplies.	8. Health & Medical Services - Provides care and treatment for the ill and injured; mobilizes trained health and medical personnel and other emergency medical supplies, materials and facilities; provides public health and environmental sanitation services, disease and vector control, and the collection, identification, and protection of human remains. Coordinates special medical needs shelters.
2. Communications - Provides emergency warning, information and guidance to the public and responders. Secures resources needed to provide backup capability for all means of communication.	9. Search & Rescue - Provides resources for activities to locate, identify and remove from a stricken area, persons lost or trapped in buildings and other structures.
3. Public Works & Engineering - Provides debris clearance, road, highway and bridge repairs. Repair and restoration of essential public works systems and services and the safety inspection of damaged public buildings.	10. Hazardous Materials - Provides response, inspection, containment and cleanup of hazardous materials.
4. Firefighting - Provides for mobilization and deployment, and assists in coordinating structural and wildfire fire fighting resources; provides incident management assistance for on-scene incident command and control operations.	11. Agriculture & Natural Resources - Provides coordinated response in the management and containment of communicable diseases in an animal health of plant emergency.
5. Emergency Management, Recovery & Mitigation - In support of the local Incident Commander, provides for the overall coordination of the town's emergency operations; collects, analyzes and disseminates critical information on emergency operations for decision making purposes; provides liaison with state/federal government.	12. Energy - Coordinates with the private sector the emergency repair and restoration of critical public energy utilities. Coordinates the rationing and distribution of emergency power and fuel.
6. Mass Care, Food & Water - Manages and coordinates sheltering, feeding and first aid for disaster victims. Identifies, secures, prepares, and/or arranges for transportation of safe food and water supplies for mass feeding to affected areas following a disaster.	13. Law Enforcement - Provides for the protection of life and property by enforcing laws, orders and regulations. Provides for area security, traffic and access control.
7. Resource Support - Provides for coordination and documentation of personnel, equipment, supplies, facilities and services used during disaster response and initial relief operations.	14. Public Information - Provides for effective collection, control and dissemination of public information to inform the general public of emergency conditions and available assistance.

Planning Task #2					
Identify Agency Contact Person and contact methods
